PROFILE

Highly innovative and self-motivated professional with strong communication and interpersonal skills that allow seamless collaboration with clients and team members. Diligent, eager to learn, and driven to deliver on every project I take on.

EMPLOYMENT HISTORY

Encircle Media

Project Manager | November 2021 – Present

- **Project Management:** Oversee the execution of projects from start to finish, coordinating with various teams within the media company, ensuring on-time and on-budget delivery, and keeping clients updated on progress.
- **Client Communication:** Act as the primary point of contact for clients, ensuring prompt, clear communication and addressing inquiries, concerns and feedback professionally.
- **Client Onboarding:** Facilitate the onboarding process for new clients — gathering information, setting expectations and ensuring stakeholders are prepared to work on the project.
- **Talent Onboarding:** Source and facilitate the onboarding process for talent, including drawing up contracts.
- **Office Admin:** Keep all employee HR paperwork up to date and ensure necessary office supplies are stocked.

Campaigns I've Worked On

- M-Net — My Name is Reeva, Survivor SA, Lioness SA, School Ties, and many more
- Mzansi Magic — Shaka iLembe, Queen Modjadji, Clash of the Choirs S4, BBMzansi S4–S6, and many more
- Mzansi Wethu — The River, RHOGQ, S'bongile & the Dlaminis, Homecoming, and many more
- DStv — DStv Delicious, New Compact Season, DStv Upsize, and many more
- Showmax — Tyla, Youngins S2, WatchUs, Showmax Sports Mobile, and many more

Riversands Incubation Hub

Facilities Administrator | September 2019 – April 2020

- Ensured units were ready for new tenants and properly cleared when tenants moved out.
- Maintained a 40,000m² campus to a high standard, keeping track of inventory and maintenance stock.
- Managed procurement, supplier invoices and budgeting for the facility.
- Arranged pest control, contractor access and waste collection.

Riversands Incubation Hub

Receptionist | May 2018 – August 2019

- Welcomed guests, managed the switchboard and directed queries to the correct contact.
- Handled electronic filing and clerical tasks for the custom-developed SME Business Development Services software 'Lynx', ensuring SME data was accurately captured.
- Maintained 'Names & Faces', a catalogue of the team and on-campus business owners.
- Reported SME maintenance issues — e.g. blocked drains — to the facilities team.
